American Educational Company

CLOTH, \$6.00; LEATHER, \$7.50

1937
AMERICAN EDUCATIONAL COMPANY
314 W. Superior Street
CHICAGO

Entered according to the act of Congress, in
the year 1937 by Homer L. Patterson
in the office of the Librarian of
Congress at Washington

INTRODUCTORY

The aim of this work is to give a complete and accurate index to the public and private educational system of the United States. The information has been thoroughly revised to date, and before final printing of the book, proofs submitted to the various school officials for final revision and correction.

In the main *Geographical Classification*, in addition to the public school officials, will be found a complete list of all schools and colleges, together with information as to the kind of school, class of students admitted, religious denomination, year established, and the name of the governing head of the institution. A second complete list of all institutions is given in the *Classified Directory* in which the schools are arranged alphabetically by states, classified according to the kind of school, giving a ready reference or complete list of any particular class of institution, together with the names of the executive officers. A complete *Alphabetical Index* of all schools and colleges will be found at the back of the book from which any institution may be instantly located.

The *Public School System* is fully covered by lists of the state educational officials and county superintendents of schools, the city boards of education, city superintendents, public high schools and principals, and the directors and supervisors of special subjects. A list of the more prominent *Libraries* with the name of the librarian and number of bound volumes, is included in the present volume. An *Educational Business Directory* is also given, which will be found

ABBREVIATIONS

A. B.	Bachelor of Arts	mus.	music

LEROY N. KOONZ, Supervisor of Industrial Rehabilitation. Augusta

SCHOOL TEXT-BOOK COMMISSION

Public school text-books are required by state law to be furnished free by the several towns. There is no State Text-Book Commission and no state uniformity of text-books.

STATE TEACHERS' ASSOCIATION

BENJAMIN H. VARNEY, President. .. Elementary Supervisor, Jonesboro
ADELBERT W. GORDON, *Secretary* Augusta

COUNTY SUPERINTENDENTS OF SCHOOLS

Maine has no county superintendents of schools, but has what is known as the "Union Systems" of school supervision. The towns and cities of the state, of which there are 517, are combined into groups by the State Commissioner of Education, and the members of the school committees of the towns in these groups elect one person to serve as superintendent of schools of the group or union, devoting his whole time to that work. The only exception to this arrangement is in the case of towns or cities having more than seventy-five teachers. These are allowed to elect a Superintendent of Schools to serve that town or city alone.

PUBLIC, PRIVATE AND ENDOWED SCHOOLS AND COLLEGES

MASSACHUSETTS

COUNTY SUPERINTENDENTS OF SCHOOLS

Massachusetts has no county superintendents of schools, but has instead what is called the town system of school supervision, each city or town, or, where the towns are small, a group of towns, having its individual superintendent of schools.

SUPERINTENDENTS OF SCHOOLS

Vermont has the town system of schools. The schools of the state are chiefly under the direction of superintendents who give their full time to this work. Any town or city may elect a town superintendent or may combine with other towns in a supervisory district. The superintendents of these districts are elected by the local directors subject to approval by the State Board of Education.

PUBLIC, PRIVATE AND ENDOWED SCHOOLS AND COLLEGES

NORTH CENTRAL COLLEGE is a liberal arts college, Christian, but not sectarian. It has the highest rating from the University of Illinois, the North Central Association of Colleges, and the Association of American Universities. It enrolls approximately 500 students from twenty states and several foreign countries. It is ideally located at Naperville, Illinois, on the Burlington Railroad and U.S. Route 34 and Illinois 65, twenty-five miles west of Chicago. Its equipment is superior: a million-dollar endowment, 50 acres of campus and playing fields, fine library, well-equipped science hall, beautiful and commodious chapel-music building, attractive dormitories, and one of the finest physical education buildings in the middle west.

North Central offers a standard B.A. course with majors in twenty departments; semi-professional four-year courses in Commerce and Physical Education; courses for Teachers, entitling graduates to certificates in Illinois and other states; pre-professional, two to four-year courses of high grade in Medicine, Dentistry, Law, Theology, and Engineering, entitling students to a B.A. degree after three years at North Central and one year at the professional school, thus saving one year; standard courses in Music, leading to degrees of Bachelor of Music and Bachelor of Music Education.

Expenses are exceptionally moderate. There are scholarships for first honor graduates of high schools, ministers and ministers' children, and children of World War veterans.

North Central welcomes especially students of superior ability.

ADDRESS: EDWARD EVERETT RALL, PRESIDENT

NORTH CENTRAL COLLEGE

Naperville, Illinois

Heidelberg College

Christian - Non-Sectarian

CHARLES ERVINE MILLER, President

Tiffin, Ohio

Founded - 1850

A COLLEGE OF LIBERAL ARTS AND SCIENCES CO-EDUCATIONAL
CONSERVATORY OF MUSIC

College of Chiropractic

Founded by the International Chiropractic Research
Foundation A Professionally Owned and Conducted
Institution

Professional Opportunity

Chiropractic, a comparatively new profession, extends an unequalled opportunity to the ambitious young man or woman who has found the choice of a vocation extremely difficult in this age when most lines of endeavor are already over-crowded.

It offers a future which is at once interesting and stimulating, an opportunity to render real service to humanity, to establish oneself on a professional plane in his community and to reap a very satisfactory reward for his labors, including financial income.

Health is a primary requisite of successful and happy living. The results obtained through the intelligent application of Logan Basic methods in getting sick people well prove that the well-trained Chiropractor has a real service to render one for which there is a crying need. There is room in the Chiropractic field for many times the number of practitioners we have today.

The curriculum comprises a four year course of lecture and study for competent professional training, including comprehensive courses in publicity, office procedure, and business administration.

School established 36 years. Endorsed by physicians. Over 13,000 graduates. Easy monthly tuition payments. Equipment furnished. Diploma. Open to all, 18-60 years. Write for free "booklet PD."

Chicago School of Nursing
26 North Ashland Boulevard
Chicago, Illinois

ART IN INDUSTRY

Some years ago, demand for an artist's skill was confined chiefly to portrait and landscape paintings. Few artists achieved financial success.

That is not true today. Advertisers, magazines, newspapers and publishers spend millions yearly for illustrations. Industry, realizing that design and color influence sales, employs artists to design many of its products. The demand for artistic skill has increased many fold because of public demand that merchandise be not only serviceable, but also good looking.

The Federal Schools, affiliated with a large art, engraving and printing organization, has trained many young artists now capable of earning from \$1000 to \$5000 yearly as designers or illustrators. Its Home Study courses in Commercial Art, Illustrating and Cartooning contain exclusive illustrated lessons by many famous artists. Practical instruction by experienced men is the reason for its many years of outstanding success. Courses sold on easy monthly payments.

Free Drawing Ability Test sent on request. Also book describing the training and outlining opportunities in the art field.

FEDERAL SCHOOLS, Inc.

Minneapolis, Minn.

AMERICAN SCHOOL CHICAGO, ILLINOIS

An Educational Institution

The American School was chartered in 1897 as an educational institution (not for profit)—for the purpose of giving practical home-training to wage-earners. For 39 years, it has prepared thousands of ambitious students for success in their chosen lines, and has won the respect and cooperation of employers and educators in every part of the country.

U. S. Navy Uses Our Texts

The U S Navy has purchased the right to reprint certain sections of the School's Shop Practice instruction material for use in its training classes.

Dominion of Canada Uses Our Instruction Service

For the past six years the Province of Manitoba, Canada, has been using American School courses and instruction service on the High School Cooperative Plan explained below. At present, over 700 students are enrolled.

High School Cooperative Plan

Thirteen years ago, the Benton Harbor (Mich.) City Schools began offering, as a part of the regular school work, home-study instruction in a large variety of vocational subjects which the public school budget could not be stretched to cover. Out of this idea developed the present High School Cooperative Plan, which has enrolled over 1000 students in Benton Harbor alone, besides being adopted by many other resident high schools.

Pays No Federal Income Tax

Because it is chartered and conducted not for profit, the American School is exempt from paying Federal income taxes. In this respect it is classed with universities, privately endowed colleges, and religious organizations.

Write today for details of subject that interests you.

ONE YEAR FROM TODAY

*What Will YOU Be
Earning?*

This may be the most important year in your life! Your whole future is apt to depend on how you take advantage of present business changes

New conditions are opening up new jobs, creating unusual opportunities, bringing back prosperity. But that does not insure prosperity for you. Only you can insure that.

For months—maybe years—employers will be able to pick and choose out of the millions now unemployed or dissatisfied with their work and pay. Naturally they will pick the men with most preparation and ability.

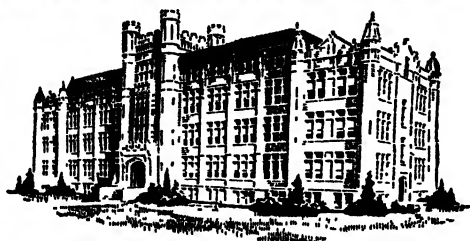

You should—you must—make yourself quickly more valuable—to protect what you have and to insure getting your share of the promotions and pay raises. It is being done by OTHERS—it can be done by YOU!

Ask us to send you full details about our new spare time training, and to explain how it prepares you to meet today's demands and opportunities, also about our practical salary-increasing plan. If you really are in earnest, you should investigate at once. Pick your field from those listed below, add your name and address, and mail to our Dep't 208.

EDUCATIONAL DIAGNOSIS *and* TREATMENT

Suppose a child is maladjusted to the regular, traditional, academic school program. The school psychologist, and educational and vocational counsellors, agree that the child needs the core curriculum, plus certain individual courses. Suppose the school system does not provide such instruction? Should the counsellors advise a different course of study?

This is no problem to those school systems that use the I C S High School Cooperative, or Benton Harbor, Plan of Supervised Correspondence Study, now in its fourteenth year of successful operation. Any school under this plan can start with one pupil as well as a group. It is simple and flexible. Any of the hundreds of I C S courses, prepared by leading authorities, is available for use by one or any number of pupils. A member of your local school staff supervises the entire operation of the plan. Texts are furnished by I C S. Expert instruction, relieving the supervisor of all details, is provided by I C S. Our contact with the student is maintained only through this local supervisor. Thus the education of the student is always under the control of local school authorities. The per pupil cost under this plan is surprisingly moderate, and many schools report actual savings.

Over 400 courses, including some 1800 different subjects, are available to help your school system meet individual pupil needs for courses.

Complete information on the I C S-High School Cooperative Plan of Supervised Correspondence Study, and comments on it by prominent educators will be furnished you upon request. When you ask for this information you incur no obligation.

TRADE INDEX

as the machine itself motor driven. The non-continuous vertical type uses segments of curved glass, will handle only sheet work, while the arc is raised with a hand crank and dropped by gravity. The horizontal type of continuous machines are motor driven, and are available for work up to 54" wide, the length being unlimited. Mechanical and shop drawings, graphs, sketches, typewritten quizzes, records, specifications, notices, lesson sheets, reports, and other matter can be quickly reproduced.

BOOKPLATES

A label, impression, or inscription, showing the name or monogram of the owner of the particular book and frequently adorned with artistic embellishments, besides showing the owner's arms or heraldic device. They are generally pasted just inside the front board or cover of the book.

Handicraft Co.,
Minneapolis, Minn.

BOOKS

School boards and teachers are convinced of the advisability of providing for pupils' supplementary reading, and the number of adequate school libraries is constantly increasing. New books must be added to these libraries regularly if they are to be popular with the children. Boys and girls should be encouraged to think of books as part of the joy of life, and reading in no sense a duty.

CARD INDEX SYSTEMS

Card indexes are used in schools for records of all kinds for the student, library, laboratory, and office. Just what system will be found preferable for each use will depend to a considerable extent on the information required and the size of the card used, as well as the amount of usage the file will receive. Where constant and frequent reference is required, a visible system may often be used. See, also, Filing Equipment.

DENTAL EQUIPMENT

The care of the teeth of the student is a very important means of caring for the health of the child. Schools are requiring periodic examinations of the teeth of all pupils, and in many instances caring for the needed work through a staff dentist.

Beta Co., Frank S.,
Hammond, Ind.

DEODORANTS

Only materials that actually destroy and remove foul odors may be properly termed deodorants. Products that merely cover one odor with another that is stronger are neither practical, efficient, nor economical.

International Chemical Company,
3130 S. Canal St., Chicago

DEODORIZERS

This equipment is a means of destroying bad odors in a room or building. Some of the types actually spray a deodorizing chemical into the air, while others allow the material to evaporate and mix with the air in the room. They are especially valuable in large school assembly rooms where there is danger of the air becoming stale.

TRADE INDEX

DESKS

The school desk or chair plays an important part in the shaping of the physical body during the formative stage of school life. A comfortable position for both teacher and pupil must be the background for all sustained mental effort. See, Desks, Pupils, also, Desks, Movable Chair, also, Desks, Teachers.

Yawman and Erbe Mfg. Co.,
1000 Jay St., Rochester, N. Y.
See announcement on page 973

DESKS, PUPILS

School seats and desks for the pupil should be constructed in such manner as will be most conducive to the comfort and health of the occupant, permitting of an easy and natural writing or study position for the child. In addition they should be both durable and sanitary. Various types and styles are offered by the different manufacturers. See, also, Desks, Movable Chair.

DESKS, MOVABLE CHAIR

The movable chair desk allows for a natural posture, and eliminates the necessity for twisting in the seat or facing the light. Through unlimited flexibility they also make possible the most advantageous and the greatest variety of class arrangements, and varied groupings around the teacher.

Welch Manufacturing Co., W. M.,
1515 Sedgwick St., Chicago

DESKS, TEACHERS

The classroom desk for teachers should be specially manufactured of a type to meet special needs for efficiency and appearance. It should be of sufficient size to allow plenty of room for work, and with ample drawer space for text and reference books.

**POSITIVE CONTROL
NORTON
DOOR CLOSERS**

Because so much importance is attached to orderly, quiet, trouble free control of doors, educational institutions should have the most efficient closers

The Norton positive control assures no surge, slam or jar—the Rack and Pinion principle engineers perfect control and silent closing where desired

The Norton lubricating system is guaranteed against leakage. The Norton packing nut (an exclusive feature) permits the use of mineral oil, the correct lubricant for working parts

Norton Positive Control reduces strain on hinges and doors—a decided saving in time and labor.

GUARANTEE—Norton Door Closers are guaranteed.

SERVICE—Norton engineers and designers offer their recommendations without obligation.

EASTMAN CLASSROOM FILMS

*Now used by school systems in thirty foreign countries
as well as in the United States*

The teaching value of Eastman Classroom Films is clearly indicated by the fact that they are now being used not only in the United States but in thirty foreign countries as well.

About one hundred films are now ready on topics of General Science, Geography and Health, and many more are in preparation. Others are scheduled for early production, in accordance with a carefully worked-out plan to cover comprehensively all topics that lend themselves to treatment by the motion picture.

Send for your copy of "A New Descriptive List of Eastman Classroom Films."

Other Recreational Areas

*The Benjamin
Duo-Service
Floodlight*

Among the Benjamin fixtures developed for outdoor lighting are the Duo-Service Floodlight and the Diffusing Floodlight.

There is Benjamin equipment available for other outdoor recreational areas, such as skating rinks, hockey rinks, quoits, outdoor swimming pools, archery ranges, etc. Among the Ben-

*The Benjamin
"Type 79"
Glassteel Diffuser*

beautifully designed

Schoolrooms

For the interior lighting of schoolrooms, the Benjamin "Type 79" Glassteel Diffuser is admirably adapted. It provides excellent distribution of light for general illumination, and is constructed

Night photo of the Asbland College athletic field, Asbland, Ohio, lighted with Benjamin Concentrating Type High Mounting Units. Notice remarkably uniform level of illumination throughout the playing area.

LIKE miniature golf, tennis, baseball, etc., high school football has entered the realm of nighttime sports, and now parents, too, can attend the games.

Philosophically, this development in high school athletic games means more enjoyment for more people, since the leisure hours of most adults are confined to the evening.

Installation of equipment is merely a matter of days. The cost of current is negligible, and Benjamin equipment pays for itself in a short time by the increased attendance.

Benjamin equipment meets the needs of the various types of athletic fields. Write for data sheets.

Request also a copy of "Lighting of Night Football Playing Fields," by Russell L. Guin, principal of the Westville, Ill., high school.

Food Supplies for Educational Institutions

The institutional buyer demanding value insists that to have value quality must be maintained. This uncompromising attitude has resulted in careful and scientific analyses. It has developed a fine appreciation of the economy of better foods. Better foods mean increased efficiency and more satisfied guests and pupils.

Fifty years of specialized service in the supply of Hotels, Restaurants and Institutions has enabled us to know something of the problem confronting institutional buyers. Out of this knowledge and cooperation, we have evolved an assortment of foods particularly suited to their individual requirements. Our Edelweiss label has become the symbol of fine foods economically packed.

Sexton special quotations are mailed each month to the institutions of America and offer the very latest values on merchandising suitable to the particular requirements of the exacting clientele serviced by Sexton. Wherever close and intelligent buying prevails, our prices are received with interest. Please write us if you are not receiving them.

P. O. BOX-J5, CHICAGO

66 IMLAY ST., BROOKLYN

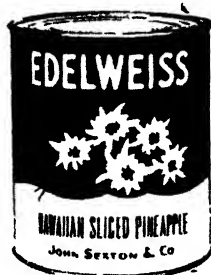

If you went into the finest garden and selected the vegetables to serve your pupils you could find no better than those which come to you packed under the Edelweiss label. Each vegetable distributed by Sexton is selected where soil and climate are best suited to its perfect production. Picked at just the right time, and packed on the spot, they reach you retaining all the vitamin value, full flavor and succulence of the fresh vegetable.

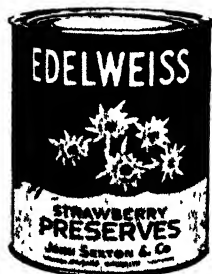

All of Sexton's Canned Fruits are equally delicious. All are allowed to completely ripen in the sun before being picked. Each fruit is obtained from the locality where it grows best—and then only the choice of the crop is taken. Packed in No. 10 tins, the container most economical for school cafeteria use.

Among other Edelweiss Foods particularly popular with school cafeterias are: Individual tea, cocoa, gelatine dessert, chocolate pudding, peanut butter, macaroni, spaghetti, canned fish, paper napkins and paper specialties, Edelweiss No. 10 cans soups, dried fruits and tapioca.

Delicious Edelweiss preserves, jellies, marmalades and fruit butters, made in Sexton's Sunshine Kitchens, are of excellent quality because the materials from which they are made—selected fruits and cane sugar—are the finest obtainable. They are made with great care, in small quantities, giving them the beautiful color and the delicious appeal of home made preserves. In our Sunshine Kitchens we also prepare a complete assortment of pickles, relishes and condiments of quality. Edelweiss quality mayonnaise dressing, catsup, mustard and chili sauce packed in handy gallon glass bottles.

If one of our representatives has not called on you please write us.

FREE! Expert Art Service In Preparing Your ANNUAL COVER

You place yourself under no obligation by taking advantage of Becktold Service. It shows how your cover will look *before* you spend a cent. A card will bring you actual samples of Becktold Covers as used by other schools and colleges, also a sketch blank on which

to present ideas for your own cover. Our artists will then make up a finished drawing, showing how your cover will look when completed. Any design, picture, seal, etc., or any combination of colors may be incorporated in the cover. Write us today for this service.

LATHES

Lathes for school shops are of two types, those for metal working and those used in the woodworking courses. The metal-working lathes used by schools include the speed lathe, the engine lathe, and the turret lathe. The engine lathe is probably the most used since all work such as turning and screw cutting is done on it. The turret lathe which is used for multiple operation work will be found only in schools teaching advanced machine shop courses. The speed lathe is used almost exclusively for small operations such as polishing, etc.

LINENS FOR SCHOOLS

Boarding schools, and schools operating dining rooms, lunch rooms and dormitories, require table linen, sheets, pillow cases, towels, etc. Many of the colleges furnish bath towels to the students for use in their athletic departments.

LINEN MARKERS, See, also, Labels, Woven

Annoyance and loss of time occasioned by re-marking linen is eliminated by the use of linen markers. One type is provided

TRADE INDEX

by a small machine with a name plate which prints in indelible ink. Another is the name tape variety, with the name either embroidered or indelibly printed in ink.

LIQUID SOAP

A soap so manufactured that it retains a liquid form. It is used with a dispensing system and in addition to being very sanitary, it is an economical method of handling the soap problem for school washrooms.

THE AMERICAN LIBRARIANS' AGENCY

Has trained Librarians especially qualified
for High School and College library posi-
tions. Our service extends over all the
United States and deals with all types of
libraries. Service free to employers.

ESTABLISHED 1914

Mrs. A. C. Hubbard, Director
Windsor, Connecticut

School Superintendents:

To aid in meeting cuts
in appropriations, try our
moderate priced Library
and School Book Bindings.

They conform to speci-
fications of the A. L. A.
Committee on Bookbind-
ing and are most attrac-
tive looking.

Write our nearest branch.

MICROSCOPES

Microscopes for school work have considerable variance in quality and precision depending entirely upon the work for which they are to be used. They can be

TRADE INDEX

secured having a magnifying power from thirty or less diameters up to a thousand diameters. In the simple microscope a single convex lens, between the eye and the object, forms an enlarged image. In the compound microscope an object glass or objective, near the object, forms a real image, which is viewed by the observer through a magnifying eyepiece. Either objective or eyepiece, or both, may be composed of more than one lens.

PARTITIONS, ROLLING AND SLIDING

Partitions facilitate the division of a large room into two or more compartments, thereby eliminating the distraction caused by several groups meeting in different corners of the same room. The rolling partition consists of small segments of wood or steel; when closed, it rolls up and is concealed in the wall or ceiling, as is also the sliding partition

PHOTO-MURALS For Unique Wall Decoration

The science and art of photography have created a new beautiful and practical form of wall ornamentation that is particularly adaptable for the decoration of schools and colleges.

Anything that can be photographed can be made the subject of a photo-mural—exterior and panoramic views of your buildings and grounds original drawings old prints etc.

Photo mural decoration brings to you a new medium of interior decoration available in sepia or hand colored in oils that creates atmosphere and will harmonize with your established decorative scheme.

Photo-murals make admirable
and artistic memorials of dis-
tinguished service. Suggest them
to your friends and alumni.

The Copley Prints

are particularly adaptable to this
type of decoration such as Ab-
bey's Holy Grail, symbolizing
the never ending crusade of
civilization for the Triumph
of Right over Evil.

PRINTING OUTFITS—SCHOOL

The teaching of printing in schools as part of their vocational work has met with much favor. In addition to its vocational value, printing teaches the use of punctuation marks, the making of proper margins, the use of good English, correct spelling, capitalization, and indentation in an accurate manner. School printing outfits are designed for the smallest schools to largest universities

PUBLIC ADDRESS SCHOOL

for the

Public Address is playing an increasingly vital part in education today. Its valuable uses — for assemblies, relaying messages, overflow crowds, sporting events, alarms, etc., make it practically a necessity in every modern school. ALLIED RADIO maintains a large, well-trained staff of sound engineers whose wide range of experience

enables them to cope with any sound problem. We treat each project as an individual case. We invite you to submit your public address specifications to our Sound Engineering Division for helpful advice and low cost estimates without any obligation on your part. What we did for the Jackson, Ohio, High School, (The Nation's Schools, March 1936) and for hundreds of others, we can do for you. If you are contemplating a new system or renovating your old, send for the FREE new Spring and Summer ALLIED Catalog. The Public Address section with its budget-minded prices is particularly valuable and illuminating.

Radio Laboratory Equipment

Our past successful experience has taught us exactly what radio items are needed in the well-equipped classroom and laboratory. As Radio Supply Headquarters we feature a complete line of radio text books, oscillographs, test equipment, batteries, radio relays — everything for the modern, up-to-date laboratory at the lowest prices. It will pay you to keep a copy of this catalog on file for instant reference.

Radio Building Parts Kits

We specialize in serving radio classes and clubs with matched kits of parts. We furnish free parts lists for building any radio circuit. We will be glad to send quantities of free parts lists, setting literature and additional catalogs upon request.

SCHOOL BOND ISSUES

Investors are constantly seeking school bonds. For that reason School Districts can usually obtain better terms and higher prices for their securities than any other class of corporate body. Firms specializing in the issuing and marketing of school bond issues place their information and experience at the disposal of any School Board.

SCHOOL REPORTS

At regular intervals, the teacher must furnish reports on the progress of the pupil. One modern method is by the use of the Graph Line, which shows distinctly the rise or fall of the students' work and his deviation above or below the average.

SEATING EQUIPMENT

The school hours have a vital effect on the health of both pupil and teacher. Incorrect seating makes the children slump down in their chairs, causing bent backs, crowded abdomens, and stooping shoulders, while correct seating encourages correct posture and builds enduring habits of health. Solve Your Screen Problem with the CHALLENGER!

• Stands on Its Own

The Da-Lite Challenger Screen has the tripod permanently attached to the metal tube case in which the screen is mounted. Stands anywhere. Ends bother of clearing desk or table for a place to set the screen.

• Simple to Set-up

- A Open legs on floor!
- B Swing screen to horizontal!
- C Lift screen to height desired!

• Adjusts to Any Height

Spring locks on supporting rod permit adjustment to any height.

• Gives New Realism to Your Pictures

Unless otherwise specified, the Challenger is finished with the famous Da-Lite Beaded surface, which brings new sharpness, depth and brilliance to movies.

The Challenger (including the Standard and DeLuxe models) is made in six sizes, from 30" x 40" up to and including 70" x 94". Larger models have crank-lift. The Challenger is only one of a complete line of Da-Lite portable screens. Ask your dealer or write us for full details!

STATUARY

Statuary furnishes educational and illustrative material for several departments from ancient history to art, and it serves a practical use when given to the school as a memorial from classes and organizations. Very good reproductions of well known "originals" are furnished in marble, bronze, or composition. When determining the material from which the statue shall be made, purchasers should consider the usage to which it will be put, whether it will be a feature of the exterior or interior of the school building, and whether it will be used as subject matter for art or other classes.

TEACHERS' AGENCIES

The reliable teachers' agency offers a genuine service to teachers, and to school boards and school officials, by recommending suitable teachers for suitable positions. The agency collects definite and reliable information with reference to the character, training, personality, experience and professional spirit of each candidate. This information is presented in convenient form for the inspection of school officials.

WASTE BASKETS

School equipment and furnishings naturally receive hard usage, and the waste basket probably suffers most of all. They should therefore be made of wear-resisting material, and constructed to withstand the hardest usage. Wire, steel, vulcanized fibre, and like materials are used.
National Vulcanized Fibre Co.,
Wilmington, Del

WASTE PAPER BUYERS

Every school accumulates large quantities of waste paper which may be profitably baled and sold. See, also, Paper Balers.

WATER COLORS

Permanence of hue, evenness of texture, and smoothness in application on paper are some of the qualities essential for

TRADE INDEX

good water colors. They are furnished for school use in either the cake form, or the tube containers. See, also, Art Materials, also, Drawing Materials.

WINDOW SHADES

In the lighting of the schoolroom, much care should be exercised in the control of daylight through the use of proper shades. Shade cloth should be used which will tone the light to give eye-comfort, and bar out injurious glare. A good shade cloth will not crack, wrinkle, or show pin holes with usage.

The Victor Interval Timer

measures any interval of time from
15 seconds to 2 hours

Warns "TIME IS UP"

DOMESTIC SCIENCE—CHEMISTRY—PHYSICS—ALL
LABORATORY CLASSES WHERE CORRECT TIME
ALLOTMENT IS AN IMPORTANT FACTOR, FIND
THIS TIMER A NECESSITY

The Santa Rosa High School says:

"The Interval Timer which we received from you recently is more than you claim for it. We use it several periods a day for our typing students and the teachers are enthusiastic in praising it — emphasizing particularly the freedom it allows them to carry on their other work while the classes are pursuing the five, ten, and fifteen-minute tests. We can't understand how we got along without it thus far."

NOT A CLOCK—The mechanism is designed solely for the purpose of measuring any given time period within the range of 15 seconds to 2 hours, and sounds alarm at the expiration of that interval. The absence of complicated gears results in simplicity and sturdiness.

WHAT IS IT WORTH TO YOU--

TO know that the stage requirements of your auditorium will be thoroughly understood; that the same genius which created practically all the outstanding developments in stage equipment and rigging during the last quarter of a century is applied to the problem of originating equipment for your individual stage.

AND to know also that all equipment installed is guaranteed and will maintain its initial efficiency throughout the period of its use.

THE value of such service cannot be measured or compared. Yet, it costs nothing. For in PETER CLARK, INC., installations you pay only for the equipment and the cost of installing it.

PRODUCTS: Complete Stage Rigging for Schools, Colleges, Auditoriums; Stage Hardware; Asbestos, Fire and Sound-proof Curtains; Draw Curtain Tracks; Electric Curtain Machines; Portable Motion Picture Booths; Portable Bleachers; Sectional Grandstands; Stage Draperies and Curtains.

Send for Circular D-3

Jacobsen 4-Acre Power Lawn Mower

Beautiful School Lawns At Lower Cost

WELL kept school lawns, buildings and equipment are important in moulding the ideals and habits of the student. There is a Jacobsen model for every lawn, large or small.

The Jacobsen 4-Acre Heavy Duty Mower is used by the largest colleges and universities. With or without riding sulky it will cover more ground per day than any other mower of same size, and with a lower upkeep cost than any other walking-type power mower. It has a 24-inch reel, an enclosed gear drive, auto-type differential, separate clutch control

of traction and cutting unit, self-sharpening reel and other outstanding refinements. A Sickle-Bar clipping attachment may be had which clips dandelions and other weeds at the same time the lawn is mowed.

The "Junior" Power Mower is a quality Jacobsen Product with a 19-inch cutting reel. Suitable for moderately large lawns—particularly efficient on terraces.

FREE Demonstrations

A trial demonstration given on request, without obligation.
Write for free book, "Lawns Beautiful."

Consider these exquisite matters

WONDROUS fruits, tender as rose petals — fruits plucked at the precise moment in which they attain their dew dappled perfection. Sealed in their neat containers in bright clear syrups without loss of even a whisper of their field-fresh flavor.

Such are Richelieu and Ferndell and Batavia fruits—selected and prepared to epicurean standards and priced to average pocketbooks.

Vegetables saturated with the freshness of fragrant fields

at dawn, with flavors that send little ripples of “Oohs” and “Ahs” coursing around the dinner table—so incomparably fine that we contemplate them with reverence.

You will find more than 500 different Richelieu and Ferndell and Batavia foods—each one identical, no matter which label you buy them under. Each one prepared from our own special recipes, using only the very finest varieties of each fruit and vegetable and ingredient.

Sprague, Warner & Company

150 Pounds
Pressure

CRANE VALVES

2500 Pounds
Pressure

School men should consider pennies by saving vs. dollars by economy

It is shortsighted to lavish equipment on one department at the expense of another. But how much economy will plumbing and heating stand? Certainly by purchasing inferior materials efficiency is not only lowered, but the health of children is endangered. Then, too, it is an experiment that is paid for by increased maintenances, costly repairs and expensive replacements.

Crane engineers have studied this problem. They are prepared to offer a solution to it . . . to lower the cost of plumbing and heating systems without endangering either efficiency or the building budget. Already they have done it for numberless schools throughout the country. If you will drop into the nearest Crane Exhibit Rooms, you will be shown how they can do it for you.
